

WEDNESDAY PRAYER PRIORITY

December 01, 2021

This week we are praying for our Giving Tree Outreach.

1. We ask God to use this tangible expression of love as a doorway to the presentation of the Good News of Jesus Christ.
2. We ask God's provision for every donation, resource, and gift given to meet every need presented to our church.
3. We ask God to encourage children of families who are unemployed, dealing with prolonged or terminal illness, and whose parents are incarcerated.
4. We ask God for peace, protection, healing, and grace to cover our community and especially for families who are struggling financially, physically, and emotionally.
5. We ask God for strength for our volunteers and workers who organize and distribute gifts, and for those who show the love of Christ to families in need this Christmas.
6. We ask God to energize our church to take this project on and work together as individuals and families to see the needs of others met through our generosity.
